

COMPRESSION SEMI-RIGID NYLON TUBE

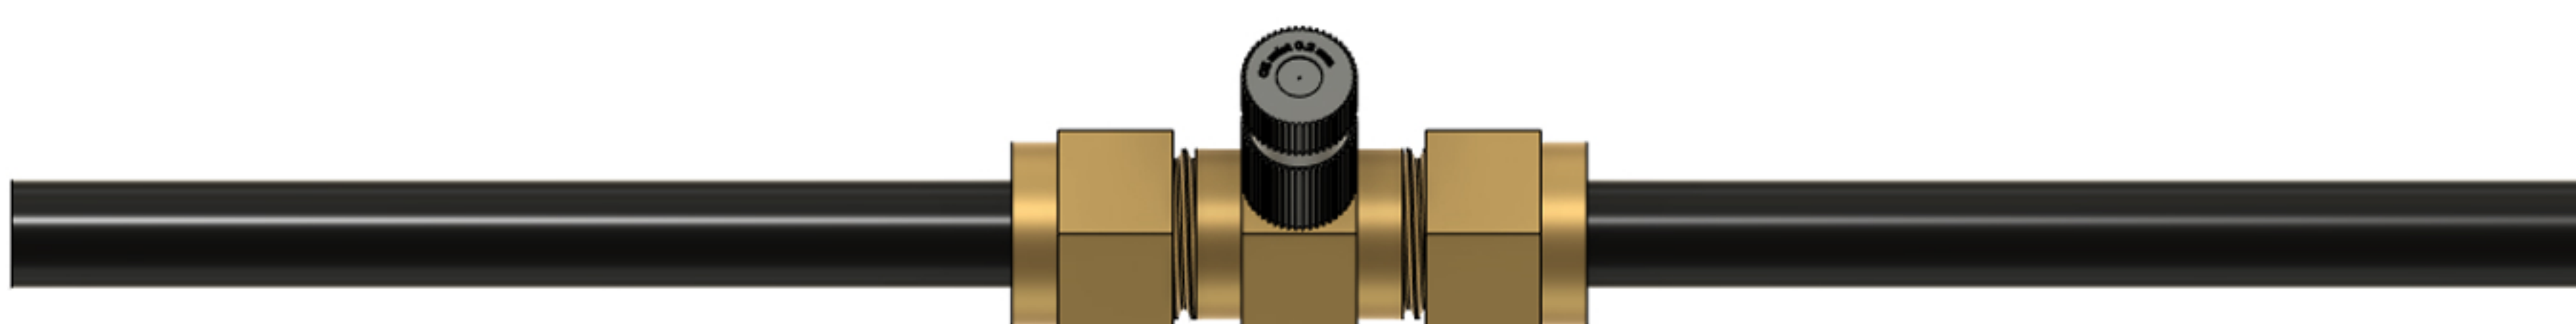

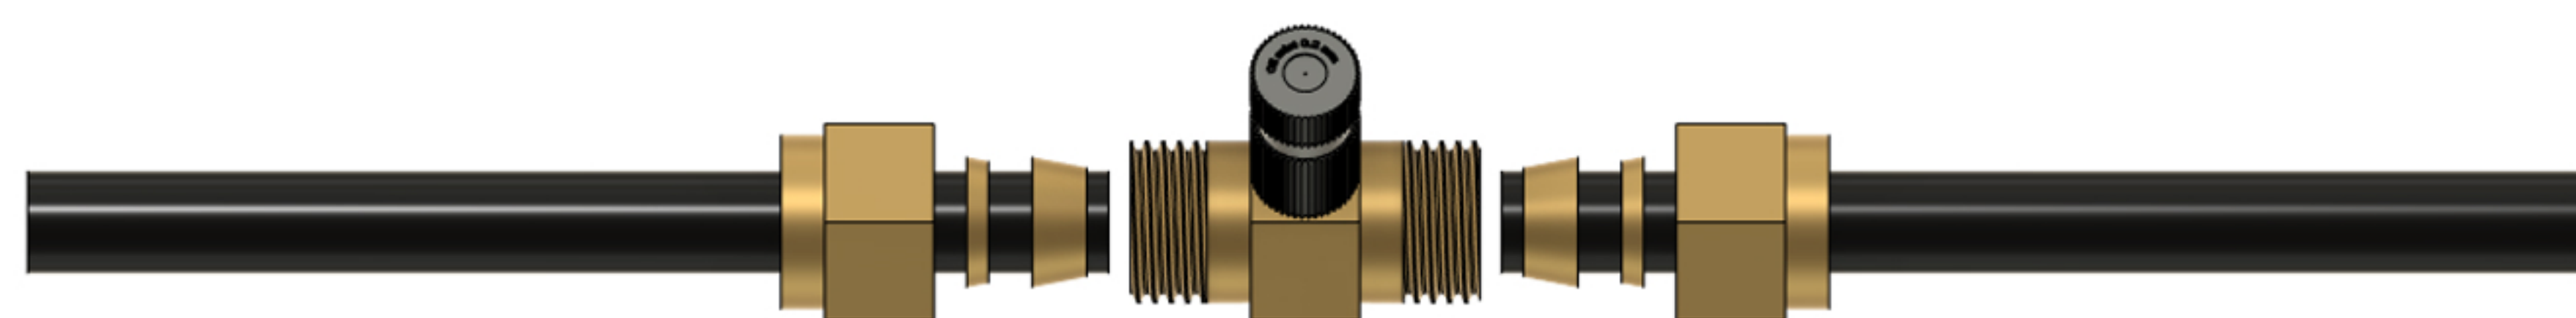

The OZmist *Compression* range of fittings are some of the original components that OZmist started using over 15 Years ago. These Compression Fittings are a 4-Part component using a compression ring and 2 olives to compress down on the hose. We have compression fittings for both 3/8" Tube and 1/2" Tube.

SUITABLE FOR A MULTITUDE OF PURPOSES

- ✓ Outdoor cooling for alfresco areas, patio's, restaurants, cafes and clubs.
- ✓ Condenser pre-cooling systems
- ✓ Animal aerial disinfection and cooling
- ✓ Special effects
- ✓ Outdoor events and marquees
- ✓ Dust suppression
- ✓ Tube and fittings rated at 1,500PSI.
- ✓ Can be supplied to run off tap water as a low pressure misting system
- ✓ Full range of fittings available
