

Quick Disconnects & Hydraulic Connection Hoses

Hydraulic Hoses

OZmist keeps stock of 1/8" and 1/4" hydraulic hose with a pressure rating of 4,500 PSL. We keep stock lengths and make custom lengths to order. Crimp ends are 316 stainless steel and will never rust or corrode. Hydraulic hose is particularly good for the hire industry where hoses need to be removed on a regular basis.

HYDRAULIC FLEX HOSE - HIGH PRESSURE

5.5.001
Hose H/P 1/8" x 1200mm

5.5.002
